Foreword

We are delighted to once again host our premier autotest of the C&A Motor Club calendar, the Kennings being a round of the 2023 Motorsport UK British Autotest Championship, the *demon tweeks* BTRDA[®] Autotest Championship, and the Association of North Western Car Clubs Autotest Championship.

Those that have competed at Trac Môn (Anglesey Circuit) previously will know that it provides a spectacular setting, and we look forward to welcoming you there once more.

As is now becoming pretty much the norm, the provisional and final results will be computed using smart phones and Sapphire Solutions' *TimingAppLive*.

You will not be able to apply for the Motorsport UK Competition Licence (minimum grade RS Clubman required) at the event, so please apply early to Motorsport UK to avoid disappointment. It is your responsibility to have your licence, which has to be noted on your entry form. Please ensure that you bring your competition licence, championship registration form and club memberships cards with you for examination if required.
