Foreword

We are delighted to once again host our premier autotest of the C&A Motor Club calendar, the Kennings being a round of the 2026 Motorsport UK British Autotest Championship, the Demon Tweeks & Bestfed, BTRDA® Autotest Championship, the Association of North Western Car Clubs Autotest Championship, and various C&A Motor Club Championships.

Those that have competed at Trac Môn (Anglesey Circuit) previously will know that it provides a spectacular setting, and we look forward to welcoming you there once more. Note that we will be utilising the yump on a test again this year.

You will not be able to apply for the Motorsport UK Competition Licence (minimum grade RS Clubman required) at the event, so please apply early to Motorsport UK to avoid disappointment. It is your responsibility to have your licence, which has to be noted on your entry form. Please ensure that you bring your competition licence, championship registration form and club memberships cards with you for examination if required.
