### 31. PENTRAETH GLYN MEMORIAL JUNIOR STAGES

This year's Pentraeth Glyn Memorial Stages is also a round of the Junior F1000 Rally Championship and Junior 1000 Ecosse Rally Challenge 2022, as defined by the championship rules. As part of the Motorsport UK requirements/regulations for this championship, competitors in the championship must run on stages by themselves, i.e., there must not be any of the competitors from the main events on the stage at the same time as the Juniors.

To achieve this there will be a gap between the main event and the Juniors, which will therefore stretch the running of all the days stages to the limit. In order to achieve this, cars in the Junior event will be interposed from the first running of the stage straight back into the second running of the stage, and road timing between stages will be operating. Just as road timing will be operating in the main event.

As soon as all cars from the main event have completed the pair of stages, or maximum lateness of the last car in the main event has been reached, the Junior Rally will be started.

At that point no cars from the main event will be allowed to move on the stage until the Junior competitors have finished their two runs through. If you have stopped on stage for any reason and the Junior competitors have started, **YOU MUST NOT MOVE UNTIL THEY HAVE FINISHED THEIR TWO RUNS THROUGH THE STAGE.** (Junior runners will be denoted by running numbers 101 upwards)

The penalty for disobeying this instruction **WILL BE DISQUALIFICATION** from the event, reported to the Stewards of the Meeting, and Motorsport UK.

After the Junior competitors have completed the Stage you will be given permission to return to the paddock.

All competing cars must be as per The Junior 1000 Rally Championship, or Junior 1000 Ecosse Rally Challenge 2022.

The Formula 1000 Junior Championship and the Junior 1000 Ecosse Challenge will compete for the Tunnocks Challenge Trophy. Points will be awarded on the basis of 25 points for first place, 18 for second, 15 for third, then 12, 10, 8, 6, 4, 2 and 1 for the remaining finishers of the top ten. Points will be totaled for registered competitors in each championship.

### 32. MISCELLANEOUS

The driver named on the entry form is the only person permitted to drive the vehicle on the event. Co-drivers may not drive. Entrants, if different to the driver, may not drive.

Chicanes – Substantial tyre chicanes will be built on the circuit at various locations. 3,2,1 boards will not be present at these locations. Drivers failing to negotiate the chicanes correctly will be given a 10-second time penalty for each contravention as per G5.3-G5.3.10 and C2.1.1. Penalties may also be applied as per R32.2(c).
