Remember, the rule of '**NO MARSHAL = NO START**' will be strictly adhered to.

- Marshal signing-on **OPENS 18:15hours / CLOSSES 21.00 hours.**
- Your marshal is your responsibility; please ensure they have:
  1. **Map 115 & 123 latest edition.**
  2. **Suitable pens, clipboards and high visibility clothing, torch and a hammer to knock in control boards.**
  3. **Bin bag to take away their rubbish.**
- Ensure your marshal understands where they are going and what they are doing.
- As stated in the SRs, all competing crews must provide a marshal(s) to cover at least one control and they **MUST** sign-on with **ONE** competing crew only.
- You are reminded that **no official can be signed on as a marshal.**

- If the marshal who has signed on for a competitor does not turn up at a control, or leaves the control area before the arrival of the closing car, or gets reported for driving in a manner likely to bring the sport into disrepute, the associated competitor will be excluded from the results.
- The Chief Marshal/Timekeeper will issue marshals who are allocated time controls with an official clock. The clock must be handed to the closing car or a club official once the control is closed.
- Should these clocks be damaged or go missing the competitor associated with that marshal will be held responsible for the cost of replacing or repairing that clock.

## Controls

We aim to man all Passage Controls (PC) & Time Controls (TC), however, if for some reason a control is not manned, the organisers reserve the right to replace this with a Route Check (RC) in the form of a code board. Such boards will be on display at the start. If a board is present, crews must record the code in the appropriate box and it must be verified at the next manned control (excluding DSO's, Secret Checks).

## General Information

- Drivers briefing will be held at the signing-on area at approximately 21:30hrs.
