Controls

We aim to man all Passage Controls (PC) & Time Controls (TC), however, if for some reason a control is not manned, the organisers reserve the right to replace this with a Route Check (RC) in the form of a code board. Such boards will be on display at the start. If a board is present, crews must record the code in the appropriate box and it must be verified at the next manned control (excluding DSO's, Secret Checks).
