10. TESTS

A number of tests comprising un-timed "Hills", and timed "Slopes" will be held at the organisers' discretion. All runs to count towards results.

The number of Hills and Slopes will be dependent upon number of entries received and notified on the notice board and at the drivers briefing on the day. There will be a minimum of 21 and a maximum of 35 tests.

"Hills" will run as per Motorsport UK regulations, with gates (sub sections) marked from 12 to 1. Competitors must attempt each test non-stop. Penalties will be applied for failing in a section by stopping in a section, or by striking a marker pole (gate).

"Slopes" will run as follows: Competitors will attempt each timed test as per a normal "Hill" test with markers running from 12 to 1. In the event a competitor fails in a section by stopping at any point or striking any marker pole during the run the competitor will be penalised with 12 marks (Failed run).

For those competitors who complete the course successfully the timing will be used to assess performance, the fastest overall on that particular test setting the Target Time and scoring Zero (0) and all others score in relation to the Target Time based on 1 mark for every 3 seconds slower than Target, e.g., 3 seconds slower than Target equals 1 mark penalty; 10 seconds slower than Target equals 3 marks, up to a maximum of 12 marks.

Timing will commence once a competitor moves off the start line and ends when passing the final "Finish line" placed shortly after the '1' gate. Timing will be by marshal's hand-held stopwatch and timed to the previous whole second.

The order of attempting tests will be at the organisers' discretion. Classes may start and use different tests.

11. PENALTIES:

Marking and Penalties for each test will be as follows, (modified from T.7.5):

- (a) Not attempting, or being ready to attempt an observed section, subsection or test when instructed to do so 100
- (b) Failing in an observed section which is divided into sub-sections. The penalty for failure will decrease in proportion to the number of sub-sections negotiated non-stop (12 – 1) up to 12
- (c) Not complying with a reasonable instruction by an official for which a penalty is not otherwise stipulated, provided that warning of the penalty is given up to 100
- (d) Driver and/or passengers not seated in accordance with T.4.1.11 12
- (e) Causing undue noise at any point 12
- (f) Varying ballast during event per offence 12
- (g) Running with tyre pressure lower than that permitted per offence 12
- (h) Failing in a timed observed section (stopping or striking marker) 12
- (i) For every 3 seconds slower than the fastest time set in that timed observed section 1

Note: The maximum penalty for any attempt at a test shall not exceed 12.

To be classified as a finisher a competitor must have attempted at least 50% of the tests counting for results.

12. RESULTS

Results will be posted on the official notice board as soon as possible after the end of the event.

Overall positions will be based on an index of performance as per Motorsport UK regulations. Clubman positions will be based on total marks lost.

Any Protest must be in accordance with Motorsport UK regulations.

13. AWARDS

Awards will be presented as follows:

- 1st overall - the Matthews Auto Salvage Shield and an award.
- 1st in each Class - an award.
- 2nd in each class - an award (subject to five starters).
- 3rd in each class - an award (subject to eight starters).
- 1st Novice (not previously won an award in a Car Trial) - an award.

Best C&AMC member – an award.

Best Junior Driver (under 18 years old on the day of the event) - an award.

Best BTRDA driver on index - BTRDA Crested Spoon.

No competitor may win more than one award (other than the BTRDA spoon), preference in the order above. Awards will be presented at the end of the event.

Further awards may be presented at the organisers' discretion.

14. PRACTISING:

On entering the venue cars must remain in the paddock/parking area with the exception that once a driver has completed Scrutineering and signing-on competitors may drive directly to the "Practice Hill" where drivers can test their cars on that mock-test under marshal supervision. Cars must then return directly to the paddock/parking area. Participants may "walk" any of the test sites after you have signed-on, but leave your car in the Paddock.

Other than the practice area and on the live test sites themselves, drivers must not speed, handbrake turn, skid, deliberately wheel-spin or drive aggressively. Please be respectful to the venue.

15. IDENTIFICATION:

Competitors will be supplied with a competition number which must be displayed clearly in the upper left (passenger) side of the windscreen, and a score card. Competitors must run in numerical order all day unless specific permission is given by the Clerk of the Course to run a different order. Classes will run in alphabetical order.

Competitors will be seeded by ballot within classes at the close of entries. Where two competitors share the same car the 2nd driver will be given the next number.

16. THE VENUE:

Directions from the South: Exit A55 @ Junction 6 and drive through Llangefni town centre. Petrol available as you enter. Follow signs around one-way system for Benllech on the B5110. After approx. 3 miles the venue entrance will be on the right before you get to Brynteg.

From the East: Exit A55 junction 8 and follow signs for Amlwch on the A5025. Petrol is available in Pentraeth. Continue on A5025 into Benllech and turn left at village center crossroads onto B5108. Continue to next Give-way (at the California Inn) and turn left onto the B5110. Venue entrance will be arrowed off the B5110 in about a mile.

The Trial fields have everything from shallow climbs to near vertical on a relatively smooth surface. The venue access is good, even for trailers, and we hope to create some challenging tests for both specialized Trials Cars but are also suitable for modern low-slung Class A cars. With some thought and planning this event promises to be an enjoyable day's motorsport no matter the weather, or what car you drive.

Public road sections will not be used to link sections, as the whole event takes place on private property. Please bring your own refreshments. A port-a-loo will be on site on the day.

17. CORRESPONDENCE

To reduce our carbon footprint, correspondence will only be made using electronic methods. Final Instructions and Final Results will be sent by e-mail to all entries that provide a clear and accurate e-mail address on the entry form. Final Instructions and Results will also be published on the club website at www.camconline.co.uk

18. DATA PROTECTION

In relation to your entry to our event, we collect and hold certain personal data that you have provided on your entry and signing-on forms. Personal data includes any data that relates to an individual and can be linked to them, such as name, address, phone number(s) and email address.

Under the General Protection Regulation (GDPR) we are required to have your consent to Caernarvonshire & Anglesey Motor Club Ltd holding such data, which will be used by us in connection with the event you have entered to enable us to administer the event and as required by Motorsport UK

regulations. We might use your information to send you marketing messages by email about forthcoming events, but not if you have indicated on the entry form that you do not wish us to do this.

The Club will be the data controller for the purpose of the GDPR and the Data Protection Act 2018. Our contact for privacy and data matters is the Company Secretary, 92 Lôn Hedydd, Llanfairpwllgwyngyll, LL61 5JY. The privacy policy statement for Caernarvonshire & Anglesey Motor Club is published on the club website at www.camconline.co.uk.

In submitting the entry form for this event, you are confirming your consent to us holding and using your personal data in connection with the event and, also, that you have told the person whose details you have provided as a contact in the case of emergency that their information is held by us.

19. OUR THANKS

To Motorsport UK; Messrs. W & G Hughes (venue); Matthews Auto Salvage; local residents; and all marshals and officials.
