## **Stuff The Turkey PCA**

27<sup>th</sup> December 2025

### Final Instructions

Thank you for your entry for this year's Stuff The Turkey PCA. Your competitor number will be allocated to you at signing-on.

Report to signing-on in the café (see diagram below). Signing-on opens at **8:00am** and closes at **9:00am**. Have your Competition Licence and Club Card ready for inspection. Sign-on if you have not already signed-on online. Printed copies of the test diagrams will be available, and your first timecard will be issued, along with a competition number for the windscreen.

Competitors may then "walk the tests".

There will be a driver's briefing at **9:45am**, near signing-on.

The first car will start at approximately **10:00am**.

There will be three rounds of four test sites in all, with a lunch break of approximately 30 minutes at some point during the day. The event should finish at around 3.30pm to 4pm.

Please be aware that the worst score for a competitor at each test site will be dropped from the overall results.

## **DUAL ENTRIES**

For those sharing a vehicle: - Once the first driver has completed a test, the car should be handed over to the second driver and go to the start line of the same test by jumping any queue. We will try to alternate competition numbers of dual entries (e.g., car number 1 & 3), to keep the event flowing.

## **RUNNING OF TESTS**

There will be four Test sites (A, B, C and D) and all competitors start in numerical order at Test Site A, subject to the condition described above for dual entries. On completing Test A, competitors will move on to Test B, and so on. After the first run on Test D, hand in your timecard at the café and collect the next timecard. The process is repeated until all competitors have attempted three runs at each test.

## **Additions and Amendments to the Supplementary Regulations**
