

Caernarvonshire & Anglesey Motor Club

Top Chicane Production Car Autotest

at Trac Môn/Anglesey Circuit

Sunday, 19th April 2026

Foreword

The 2026 C&A MC StreetCar series kicks off with an Autotest and PCA at Trac Môn on Sunday 19th April, around the top buildings area. These events are suitable for standard every-day road cars, although having a good handbrake will make the day much more enjoyable. These Supplementary Regulations refer to the PCA, with a separate copy available for the Autotest. Test diagrams will be published on www.camconline.co.uk in due course, which will be mainly forward, although there are minimal reversing elements. The tests will be suitable for beginners as well as the more experienced competitors.

Drivers will require a valid C&A Motor Club membership card and a 2026 Motorsport UK Competition Licence of at least RS Clubman grade. The RS Clubman licence is available free of charge online – see the link on our website at <https://www.camconline.co.uk/events/2026-4-19/top-chicane-autotest-pca-2026>

Please read the event regulations below to ensure that you don't fall foul of any rules.

We look forward to another great event at the Trac.

The organisers.

Club Steward: Duncan Littler

Clerk of the Course: Lee Matthews

Secretary of the Meeting: TBA

Entries Secretary: Dafydd Edwards

Scrutineer: Jamie Jones

Chief Timekeeper: John Evans

Chief Marshal: Lee Matthews

All marshals are Judges of Fact with regard to test penalties and their decision will be final. A list will be available for examination at the event.

10. TESTS

The number of tests will depend on the number of entries at the discretion of the Clerk of the Course. Competitors will have at least two runs at each Diagram Layout. Competitors will be kept advised during the day.

Timing will be by stopwatch and/or electronic beam breaking equipment, timed to the previous tenth of a second.

The starting procedure will be:

Place front wheels on the first start line. Start when ready after the timekeeper instructs you to "Start in your own time". Timing will commence when the front wheels cross the start line.

The finish procedure will be:

Timing stops when the front wheels cross the finish line. Competitors must "stop astride the

finish line". Failure to stop astride the finish line will result in a line penalty being applied. The order of attempting tests will be at the organisers' discretion.

Each test diagram will be run a number of times. Each competitor's worst (slowest time including penalties) score at each diagram layout will be discarded towards a competitor's total score. E.g., best 2 of 3 runs to count, or best 3 of 4 to count etc.

17. MISCELLANEOUS

All other National Competition Rules of the Motorsport UK Yearbook apply as written, except for the following, which are amended:

Chapter 19, Appendix 3, Article 1.2: Vehicles need not be taxed and registered for the road as the whole event takes place on private property.

Ch 19, App 1, Art 2.7: Pylons may be less than 1m in height.

Ch 19, App 9: The definition of test performance and wrong test will be used as follows:

In any diagram illustrating a test, dimensions will be approximate and for guidance only, whilst a sequence of manoeuvres will be mandatory but not exclusive. A maximum penalty will be imposed when the mandatory sequence of manoeuvres has not been completed. A test will not be incorrect if the driver realises his/her mistake, goes back to the point at which the mistake occurred and then completes the test correctly as required by the diagram.

Ch 19, App 1, Art 1.4k: A vehicle may be entered twice by different drivers for the same award, but no driver may drive more than one car.

18. DAMAGE

If a competitor causes third party damage during the event, they may be liable to the repair costs up to the value of the insurance excess (currently £500).
